AGREEMENT TO MEDIATE

The following provisions are part of the mediation agreement.
I understand that mediation is voluntary and confidential.

ROLE OF THE MEDIATOR: The mediator's role is to help all parties communicate effectively, clarify information, better understand each other's perspective, develop possible alternatives, explore consequences, and make decisions. The mediator(s) will not make decisions about "right and wrong" nor will they determine how to resolve the conflict. The decisions made in mediation can be put in writing in the form of a Memorandum of Understanding, which will be prepared by the mediator(s).

CONFIDENTIALITY: Mediation is a confidential process and the mediators will not reveal anything discussed in mediation without permission from all parties. The exception to the confidentiality is if the mediators have reason to believe that a child is in need of protection or if one of the parties to the mediation is a threat to him/herself or others, or the property of others.

FULL DISCLOSURE: Full disclosure of all relevant information (revealing all information relevant to the dispute) is a condition of mediation to which I agree. It is understood that if there is not full disclosure, any agreements made in mediation may be set aside.

Stefani Bohm LLC is not providing legal representation or legal advice, counseling or therapy regardless of any other training or expertise the mediator may possess. If either party feels the need for legal assistance or counsel, they must seek it elsewhere. I agree that at no time before, during or after mediation will I call the mediator(s) as a witness in any legal or administrative proceeding or subpoena or demand the production of any records, notes or work document of Stefani Bohm LLC.

If a dispute arises over the mediation services provided, resolution of that dispute will include the process of mediation at the expense of the client.

I have read and understand all of the above provisions of this agreement.
